Dear Mr. Wetz:

On May 16, 2005, we received your letter requesting a 30-day extension to submit additional information concerning the maps which you furnished in response to the Division's bond escalation request. You have requested this extension because there is material which will require field verification before you can respond.

Given the extenuating circumstances, the Division hereby grants your extension request. Please provide your response by June 25, 2005.

Thank you for your continued cooperation.

Sincerely,

Susan M. White  
Mining Program Coordinator
